# Five Reasons To Choose ChuvSU!

1. ChuvSU is a large-scale university. Today, ChuvSU has 18,540 students from 49 countries. We implement 110 educational programs and 200 additional education programs for every taste: from psychology to electrical engineering. Recently, the university was again accredited and recognized as effective.
2. TSU cares about its students. ChuvSU has many academic buildings and dormitories, a health resort and university clinic, gyms and sports grounds. The University Library is the largest university scientific library in the republic, and the Palace of Culture is the most equipped and popular in the Volga region. And most importantly – a guaranteed scholarship, which can reach 15,000 rubles per month.
3. ChuvSU has many opportunities for self-realization. Our young scientists are awarded scholarships and grants of the President of Russia every year. We have Student Design Bureaus, an Innovation and Implementation Center, a Center for Youth Innovative Creativity, an Engineering center, and a Business incubator. ChuvSU has created unique laboratories where young scientists and students can engage in scientific creativity and implement the most daring ideas. The Palace of Culture of ChSU has 21 creative studios in 12 areas - from vocal and drumming to student theater.

4. ChuvSU promotes international student mobility Our university cooperates with universities in Austria, Armenia, and Brazil. Germany, Spain, China and Mexico, where you can go as part of a student exchange. Cooperation agreements have been signed with 64 international organizations in 23 countries, including 53 universities. Students participate in events all over the country-from Molgorod to the World Festival of Youth and Students.

5. Our graduates are confident in finding a job Studying with us is a guarantee of employment at the largest enterprises in the country. The careers of our graduates speak for themselves. We have dozens of partnership agreements with the largest enterprises in Russia, which are happy to hire our specialists. Graduates often find jobs in foreign companies.

In 2020, 28 ChuvSU students won the federal project "Professional Training 2.0". The university took the 2nd place in the country in terms of the number of winning students among 96 winning universities and became the leader in the Volga Federal District.
